

Hillbilly Rich

Trick Pony

Here's a story about an underdog
One dollar, five digits and a power ball
One hundred million dollars ridin' on that ticket
And this is what happens when a redneck gets it
Kick it
He jumped and he tore off his Texaco shirt
Didn't give a notice, just walked off work
Straight to the bank to collect his money
I'll take it in cash, nothin' bigger than a twenty
Now the kin folks say man it don't make sense
Still livin' with his mama but he won't pay rent
He got a high definition television in his trailer
He's richer than trump, but stealin' cable from his neighbor
Hillbilly Rich, Hillbilly Rich
Just a poor boy livin' out in the sticks
Look at him now, he's Hillbilly Rich
Now the farmers scratch their heads
And said, "You must be kiddin'
His tractor stands still, but the rims keep spinnin'
He got the front end bouncin' from the air suspension
T.V.'s in the dash in case he wants to watch fishin'??
Hillbilly Rich, Hillbilly Rich
Just a poor boy livin' out in the sticks
Look at him now, he's Hillbilly Rich
Hillbilly Rich, Hillbilly Rich
Just a poor boy livin' out in the sticks
Look at him now, he's Hillbilly Rich
Hillbilly Rich, Hillbilly Rich
Hillbilly Rich, Hillbilly
Swimming pools, movie stars
Did I mention coon dogs
Shotguns, tree stands
