

Stillness Of Heart

[Lenny Kravitz](#)

I'm out here on the street
There's no one left to meet
The things that were so sweet
No longer move my feet
But I keep trying, I keep on trying All that I want is stillness of heart
So I can start, to find my way
Out of the dark and into your heart I got more than I can eat
A life that can't be beat
Yet still I feel this heat
I'm feeling incomplete
What am I buying?
My soul is crying All that I want is stillness of heart
So I can start, to find my way
Out of the dark and into your heart All that I want is stillness of heart
So I can start, to find my way
Out of the dark and into your heart Where's the love?
What is this world we live in?
Where's the love?
We've got to keep on giving
Where's the love?
What happened to forgiving?
Anyone? All that I want is stillness of heart
So I can start, to find my way
Out of the dark and into your heart All that I want is stillness of heart
So I can start, to find my way
Out of the dark and into your heart All that I want is stillness of heart
So I can start, to find my way
Out of the dark and into your heart
