

100 Dollars

Manchester Orchestra

Several Women's magazines
Stacked up on top of a picture of me
When I tried to call
No one answered It's not even that I'm all angry
Just wanna know why you would do this thing
You said, there's and understanding I offer you a small dog in the kitchen
I just wanted you to feel at home And that's why I'm fine
I am fine, I am fine, I am fine
I just need 100 dollars
From you
And you and you
And you and you
