City Of The Angels

Journey

City of the angels
City of the angels
Walkin' and talkin' and laughin' about
Dreamin' the things that you won't will work out
People in places where you want to be
I'm lost in the city, who's got the key?
City of the angels
Ooh, I hear you callin' me
City of the angels
I've got this feelin' that things will work out
I've got this feelin', and there ain't no doubt
I'm holdin' on, hopin' to find
Life in this city can bring peace of mind
City of the angels
Ooh, I hear you callin' me
City of the angels
City of the angels
Oh, I hear you callin' me
City of the angels
Just like, just like it used to be, yeah
City of the angels
I'm goin' home, home yeah
Bye-bye bye-bye bye-bye
Oh, bye-bye, bye-bye, bye-bye, yeah, yeah
I'm leavin', ohh, ohh, I'm goin' home
I'm fainting, I'm leavin', leavin' ohh
