

A Mental Symphony

Sirenia

Sleep in the fire, in thorns and decay
Dreams and desires, they have all been a waste
I'm getting closer, so close to awake
So close to what life's been, yet still so far away
Dancing through days
Where the pain ascend in a thousand ways
Dancing through nights
Where the darkness strikes me from inside
Dancing through life
Where its strife enshrines on my desires
Dancing through death
A dance with the devil and a flirt with the dead
Leaving the fire, abandon the flames
Lost in denial, all your life's been in vain
Life growing colder, it's closing in on you
I know you're going down but there's no more I can do
Dancing through days
Where the pain ascend in a thousand ways
Dancing through nights
Where the darkness strikes me from inside
Dancing through life
Where its strife enshrines on my desires
Dancing through death
A dance with the devil and a flirt with the dead
Calm me down to the sound of my insanity
Voices screaming, astral dreaming
A mental symphony
Dancing through days
Where the pain ascend in a thousand ways
Dancing through nights
Where the darkness strikes me from inside
Dancing through life
Where its strife enshrines on my desires
Dancing through death
A dance with the devil and a flirt with the dead
