

Don't You Know How Much I Love You

[Ronnie Milsap](#)

Why must you disappear
Why must you go when I need you here with me. Don't you know how much I love you?

And why must you say goodbye

Once you saved my life

Now you're leaving me here to die

Girl, don't you know how much I love you? You give me just enough to keep me hoping

Enough to make me forget the promises you've broken.

Oh, why must you come around just to pick me up

So you can watch me hit the ground

Don't you know how much I love you? Don't you know, Oh

Don't you know, Oh

Don't you know, Oh

Don't you know.

Don't you know.

Don't you know how much I love you? You give me just enough to keep me hoping
Enough to make me forget the promises you've broken. Oh, tell me how long must this go on? I'm so far gone,

I'm on my knees now baby. Don't you know how much I love you?

Don't you know how much I love you?

Don't you know how much I love you?

Don't you know, Oh

Don't you know, Oh

Don't you know, Oh

Don't you know.

Don't you know.

Don't you know how much I love you?
