Verse1: He raised the dead before I Know
He parted the sea before I Know
He made the blind to see I know
He will do it again just like before

He made the blind to see I Know
He makes the poor to be rich I Know ohâ€¦
He healed every disease I Know
He will do it again just like before

Chrs: I have a big God
He can do the impossible
I have a big God
He would it again

Verse 2: He makes the barren fruitful I Know
He gives power to the weak I Know ohâ€¦
He wipes away every tears I Know
He will do it again just like before
He heals the broken heart I Know
He show picture of the future I Know
He gives hope to the hopeless I Know

Chrs: I have a big God
He can do the impossible
I have a big God
He would it again
Repeat â€¦

Call: Say Yes
Reps: Yes (5times)
He will do it again.

I have a big God
He can do the impossible
I have a big God
