

# Tristan

**Patrick Wolf**

I am the tragedy  
And the heroine  
I am lost And I am rescuing The storm is come  
And I am following My name is Tristan  
And I am alive Forever young  
I come from God knows where  
'Cos now Im here  
Without a hope or care I am trouble  
And I am troubled too My name is Tristan  
And I am alive Sorrow by name  
And sorrow by nature  
Working for joy  
On overtime Stuck on a line  
Of misadventure  
I fear no crime I am the victim  
And the murderer  
You speak of love  
But Ive never heard of her I am fucked  
And I am fucking too My name is Tristan  
And I am alive
