The Fire Song(Acoustic)

Company Of Thieves

Brit was right when she said we should worry the
Boys outside ran in a hurry
Mom held tight to the ground it was made of grass
Then the house burnt down so fastSchool at night lead to heads filled with blurry the
Games of pride were storm-like in there
Fury I made light of the in picked labs
As the house burnt down so fastAnd as you pry
I thought that I forgot town
As you pry
I thought that I forgot townGraced all the papers
The story of the neighbors
The house burnt down so fast
Late to wake, an office
Explaining to the bosses
The house burnt down the pastTo keep the peace and fix the place
You stayed in hotelsTo keep the peace and stay sane
I went to Victoria'sYou stayed in hotels
You stayed in hotelsWhy I ran away I'll never know
Why I ran away I'll never know
Why I ran away I'll never know
Never ever know
Never ever know
