Make The World Go Away

Elvis Presley

Make the world go away
Get it off, get it off my shoulder
Say the things we used to say
And make the world make it go awayDo you remember when you loved me
Before the world took you away? Yes baby
Well, if you do, then forgive me
And make the world make it go awayMake the world go away
Yeah, get it off, get it off, get it off my shoulder
Say the things we used to say
And make the world go awayNow I'm sorry if I hurt you
Let me make it up to you day by day
And if you will please forgive me
And make the world make it go awayMake the world go away
Yeah, get it off, get it off my shoulder
Say the things we used to say
And make the world make it go awayYeah, make the world go away
Get it off, get it off my shoulder
Say the things you used to say
And make the world go away
