

Ride (Demo)

Cary Brothers

You are everything I wanted
The scars of all I'll ever know If I told you you were right
Would you take my hand tonight?
If I told you the reasons why
Would you leave your life and ride?
And ride~?~! You saw all my pieces broken
This darkness that I could never show If I told you you were right
Would you take my hand tonight?
If I told you the reasons why
Would you leave your life and ride?
And ride~?~!
