Kiss Me In The Dark

Randy Rogers Band

Sailors sail, cowboys ride
Lovers love when they get the chance
Take it slow
Turn down the light
Soft and low
Let the shadows dance
Baby, don't hold backKiss me in the dark
Roll me through the night
Hold me like you'll never let me go
Hit me with your heart
'Til the mornin' light
Let your skin talk to my soul
Kiss me in the dark
YeahStrip away everything
Tonight there's nothin' gettin' in our way
The ties that bind
The where's and whys
Take 'em off and leave 'em all outside
Lock it all outsideKiss me in the dark
Roll me through the night
Hold me like you'll never let me go
Hit me with your heart
'Til the mornin' light
Let your skin talk to my soul
Kiss me in the dark
Kiss me in the dark
YeahWithout a single word
Baby, we can say so much
Reveal everything
With just one touchKiss me in the dark
Roll me through the night
Hold me like you'll never let me go
Hit me with your heart
'Til the mornin' light
Let your skin talk to my soul
Kiss me in the dark
Kiss me in the dark
Yeah
