 You get mad so easily (mad) and
 get tired (tired)
 Please know my heart
 (Hey baby) I only have you-
 the only person who makes my heart beat
 (You know baby) I only have you alonePlease let us just love,
 please let us stop fighting
 Sometimes we doubt and argue
 but still (but still) but still I love you
 I'm still young (still young)
 but would you trust you, till always
 (I only love you)
 Please let us love,
 I will promise eternallyIf I can't get a hold of you for a second
 I'm frustrated frustrated frustrated frustrated
 why? (why)
 If you go to meet your friends
 I'm nervous nervous nervous nervous

 because I've fallen for you
 (You know baby) I only know you-
 I only have youPlease let us just love,
 please let us stop fighting
