

# Knockin' the Dust Off the Rust Belt Tonight

## Pokey LaFarge

Well the lights are on, it's time to go  
Gotta hit the stage for another show  
Knockin' the dust off the rust belt tonight  
I started out, all by myself  
But I'm lucky now that I've found some help to  
Knock the dust off the rust belt tonight

Have you seen what's happenin' round here?  
You ask most people, they don't care  
But now is the time we have to do things right  
So we're knockin' the dust off the rust belt tonight

From the C-H-I to the S-T-L  
I was born raise a ruckus and do it well  
Knockin' the dust off the rust belt tonight  
Take a jazz band with a country beat  
It's Midwestern Swing for your dancin' feet  
We're gonna knock the dust off the rust belt tonight

A newspaperman said it couldn't be done  
But I lived it, I wrote it, in a song I sung  
Knockin' the dust off the rust belt tonight  
This ain't your momma and your daddy's Midwest  
We have what it takes to stand the test  
Knockin' the dust off the rust belt tonight

---
