Vibrant

Vibrant
words and music by Chapman James

I am a soul of vibrant light
I am the spectrum of a song
I am more than melody
I am a harmony to some

You Flow
You sail apart
You Grow
Just remember who you are

You are a soul of vibrant light
You are the spectrum of a song
You are more than melody
You are a harmony to me

We Flow
We sail apart
We Know
Let's remember who we are

[Bridge]
All that matters to the stars
Is where I am
Where you are
And all the distance in between
Is it fear...
Is it love... we mean

We are souls of vibrant light
We are the spectrum of a song
We are more than melody
We are a harmony of one

Let's remember who we are
Just remember who you are
I remember who I am
