# Far Away

## Demis Roussos

There's a lucky man who'll take you far away,
far away, so very very far away
he will come some day
to another land he'll take you far away
far away, so very very far away
this will come they say
Nobody knows, who will share
all your love pure and fair
but in your eyes I can see
that someone will be me
Who will catch your heart my lovely
who can say, who can say
from tomorrow you will stay
more than just a day
To another land he'll take you far away,
far away, so very very far away
love will show the way
Nobody knows, who will share
all your love pure and fair
but in your eyes I can see
that someone will be me
Nobody knows who will share all your love
but in your eyes that someone will be me
nobody knows who will share
all your love pure and fair
but in your eyes I can see
that someone will be me
nobody knows who will share all your love
