

# Far Away

Demis Roussos

There's a lucky man who'll take you far away,  
far away, so very very far away  
he will come some day  
to another land he'll take you far away  
far away, so very very far away  
this will come they say  
Nobody knows, who will share  
all your love pure and fair  
but in your eyes I can see  
that someone will be me  
Who will catch your heart my lovely  
who can say, who can say  
from tomorrow you will stay  
more than just a day  
To another land he'll take you far away,  
far away, so very very far away  
love will show the way  
Nobody knows, who will share  
all your love pure and fair  
but in your eyes I can see  
that someone will be me  
Nobody knows who will share all your love  
but in your eyes that someone will be me  
nobody knows who will share  
all your love pure and fair  
but in your eyes I can see  
that someone will be me  
nobody knows who will share all your love
