Stand

Bebo Norman

I'm walking in an open field looking for some space to fill
I believe there's something left to hold
So even when the sun goes down and there's no one around
I'm standing in the freedom of my soulAnd the truth of the matter is still the same
It's that You and I, we will not be here forever
The truth of the matter is still the sameI'm ready to stand
I'm ready to stand
I'm ready to stand
I'm ready to standStand, oh yeah yeah yeah
Yeah yeah yeah
Yeah yeah
I know, I know, know II can see the earth from here, I can see it shake in fear
I can see it falling to its knees
But you know I'm not the same, my burden is a burning flame
I hold it up for all the world to seeAnd the truth of the matter is still the same
It's that You and I, we will not be here forever
The truth of the matter is still the sameI'm ready to stand
I'm ready to stand
I'm ready to stand
I'm ready to standStand, oh yeah yeah yeah
Yeah yeah yeah
Yeah yeah
I know, I know, know II'm walking in an open field, looking for some space to fill
I believe there's something left to hold
And I can see the earth from here, I can see it shake in fear
I'm standing in the freedom of my soul, ohSo even when the sun goes down, and there's no one around
Even when the sun goes down, even when the sun goes down
Even when the sun goes down, even when the sun goes down
Even when the sun goes down and even when the sun goes downI'll stand
I'm ready to stand
You love me, I love you
I love you, I love you
I'll stand
I'm ready to stand
Stand
I'm getting to stand
