## I Voted for Kodos

Advisory - the following lyrics contain explicit language:

I tied my own shoes today (x2)'cause' we're not famous  
and I can't afford to pay somebody else.I tied my own shoes today (x2)And no one votes for our video  
and we'll never meet Carson Daily...But if we did, I promise we would not change at all,  
cept' Paul could afford better lawyers,  
And I could afford to pay someone to tie my shoes,  
'cause' I tie my own shoes.I tied my own shoes today (x2)'cause' we're not famous  
and I can't afford to pay somebody else.I tied my own shoes today (x2)And nick can't afford medicine for his  
syphilis  
And we're still not famous.And no one comes to our shows  
'cause' we don't live in southern CaliforniaAnd everyone hates us  
'cause' we play Ska  
And Ska really sucksI tied my own shoes today with some help from Lee.
