

The Same Moon (2016 Remastered)

[Phil Collins](#)

When the daylight comes and I look across the room,
I see you're gone.
As the morning breaks and I reach to hold your hand
I can see, see I'm the only one.
Well, your clothes are gone and your bags are packed
But the bed's still warm where you lay
Now I need your love to come shining through
To carry me, come carry me away.If you choose a time, I'll catch the moon
I'll see you there
From wherever I am, wherever you are
We'll find somewhere.
I see the same stars in the same sky
Shining down on you,
I'll be looking up from wherever I am
And it's you I'll see if you're looking too.There'll be days that'll seem much longer,
Some nights will seem so cold,
And it's gotta come soon - please don't be too long,
Don't be too long.If you choose a time, we can catch the moon
I'll see you there
Whenever it is, from wherever you are
Oh we'll find, yes we'll find somewhere.
Are you looking at the same moon?
