Alone

Colours

I don't want to be
don't want to be alone
don't want you to see me
don't want to see me old
can we go back
can we go back before
can we go back before you go
I'm tired of saying
tired of saying no
tired of feeling
tired of feeling cold
can we go back
can we go back before
can we go back before you go
you go...
don't...
I don't want to be
don't want to be alone
don't want you to see me
don't want to see me old
can we go back
can we go back before you go
