

# Thank God

## After Edmund

In the twilight of my life  
I don't need no grammys  
Rock my gay acceptance speech  
Most of all I'd like to..  
Thank god  
For programming my beats  
I'd like to thank god  
for making me hard like I'm from the streets  
God wrote all my dopest rhymes  
Especially those ones about shooting niggaz and  
getting fucking high  
Jesus H Muthafuckin boom boom Christ  
I been doin dis fo money and fo sex all nite  
Its the song that be gettin me erect ai-aight  
The scenario is scary yo its fukkin up your stereo  
In the twilight of my life  
I don't need no grammys  
Rock my gay acceptance speech  
Most of all I'd like to..  
Thank god  
  
For programming my beats  
I'd like to thank god  
for making me hard like I'm from the streets  
God wrote all my dopest rhymes  
Especially the ones about dealing drugs and  
rolling  
with my thugs  
Jesus H Muthafuckin boom boom Christ  
I been doin dis fo money and fo sex all nite  
Its the song that be gettin me erect ai-aight  
The scenario is scary yo its fukkin up your stereo  
In the twilight of my life  
I don't need no grammys  
Rock my gay acceptance speech  
Most of all I'd like to..  
Thank god  
For programming my beats  
I'd like to thank god

for making me hard like I'm from the streets  
God wrote all my dopest rhymes  
Especially the ones about shootin niggaz and gettin  
fucking stupid
