Come a Long Way

Kate & Anna McGarrigle

Well we come a long way since we last shook hands
Still got a long way to go
Couldn't see the flowers when we last shook hands
Couldn't see the flowers on account of the snowWhat did you do with your burden and your cross
Did you carry it yourself or did you crack
We all know that a burden and a cross
Can only be carried on one man's backAll my life I wanted to roam
To go to the ends of the earth
But the earth really ends where you started to roam
And you and I know what a circle is worthGive me your hand for the parting touch
Fare thee well and thanks a lot
I know we promised to keep in touch
But you and I know that we both forgotLet's drink a cup to what went down
There's not much left to reveal
I think I changed my mind after what went down
As to who in the end got the better dealAh we come a long way since we last shook hands
Still got a long way to go
Couldn't see the flowers when we last shook hands
Couldn't see the flowers on account of the snow
