

I Know You Won't

Carrie Underwood

I know you don't mean to be mean to me
'Cause when you want to
You can make me feel like we belong
We belong Lately you make me feel all I am is a backup plan
I'll say I'm done and then you smile at me
And I'll forget everything I said I buy into those eyes
And into your lies You say you'll call but I know you
You say you're comin home but I know you
You say you'll call but I know you won't
You say you'll call but I know you won't I wish you were where you're supposed to be
Close to me
But here I am just starin at this candle burnin out
There's still no sound Of footsteps on my stairs
Or your voice anywhere You say you'll call but I know you
You say you're comin home but I know you
You'll say you'll call but I know you won't
You say you'll call but I know you won't You say you'll call but I know you
You'll say you're comin home but I know you
You'll say you'll call but I know you won't
You say you'll call but I know you won't
