I Know You Won't

Carrie Underwood

I know you don't mean to be mean to me
'Cause when you want to
You can make me feel like we belong
We belongLately you make me feel all I am is a backup plan
I'll say I'm done and then you smile at me
And I'll forget everything I saidI buy into those eyes
And into your liesYou say you'll call but I know you
You say you're comin home but I know you
You say you'll call but I know you won't
You say you'll call but I know you were where you're supposed to be
Close to me

But here I am just starin at this candle burnin out
There's still no soundOf footsteps on my stairs
Or your voice anywhereYou say you'll call but I know you
You say you're comin home but I know you
You'll say you'll call but I know you won't
You say you'll call but I know you won'tYou say you'll call but I know you
You'll say you're comin home but I know you
You'll say you'll call but I know you won't
You say you'll call but I know you won't
