Heart Failed

Saint Etienne

Took a trip down Anita Way
Had to go on the first of May
Didn't have much to celebrateHeart failed in the back of a taxi
Heart failed in the back of a taxiGet yer kicks all around the world
Give a tip to a geisha girl
Fit your bit with a piece of pearlHeart failed in the back of a taxi
Heart failed in the back of a taxiSold the ground to a PLC
Moved the club out to Newbury
Sod the fans and their familiesHeart failed in the back of a taxi
Heart failed in the back of a taxiPicture house built in '23
It's a place out of history
Pulled it down for your cash moneyHeart failed in the back of a taxi
Heart failed in the back of a taxi
