Situation Degenerates

Earth Crisis

The situation degenerates
Again alcohol hits the bloodstream
Overwhelmed by the desire to feed the desire
Inebriation numbs the brainNothing changes, nothing improves
Empty bottles and empty days
The captive is pulled
Deeper into an aimless mazeWasted time passes
As the walls of the vice close in
Dying internal organs no longer function
Judgment impaired, direction lost
Trapped in a repeating processWasted time passes
As the walls of the vice close in
Dying internal organs no longer function
Judgment impaired, direction lost
Trapped in a repeating processThe painkiller takes a life
The painkiller takes a life
The painkiller takes a life
The painkiller takes a life
