Ordinary

The Preatures

She keeps on running
She keeps on running
She keeps on running x 4
Oh it plays outâ€¦

If you see me as ordinary
Itâ€™s not something I planned baby
Take me Iâ€™ve got to be ordinary
That gives me happiness too, yeah!

Everyday, something strange
And I ask myself, why do it again?
If I canâ€™t summon something bigger
I ask myself, how cool are you?

If you see me as ordinary
Itâ€™s not something I planned baby
Take me Iâ€™ve got to be ordinary
That gives me happiness too, yeah!

Look at me
Face to face just like the first time, when you say
Whatâ€™s the matter? Oh nothing (Oh everything)
Why donâ€™t you put your face to mine anymore?
And then you say, wait, what was the question again? Oh yeah

Yes I wanna be there
Yes I wanna be there
Yes I wanna be there
Yes I wanna be there
Yes I wanna be there
Yes I wanna be there
Oh Anytimeâ€¦

That you see me as ordinary
Itâ€™s not something I planned baby
Take me I want to be ordinary
That gives me happiness too yeah
If you see me as ordinary
Itâ€™s not something I planned baby

Take me Iâ€™ve got no say in it
That gives me happiness too, yeah!

More than, Ordinary to me
More than, Ordinary if you want
More than, Ordinary to me
More than, Ordinary if you want
She keeps on running
She keeps on running
She keeps on running
She keeps on runningâ€¦
