

# Leave Me Out

## JEFF the Brotherhood

Advisory - the following lyrics contain explicit language:

Pretty as a peach  
She's so out of reach  
I can't even try  
Cause I'm living in a lieI'm running away  
I'm running away  
I'm running away  
I'm running away  
And oh, I wanted you to know  
Oranges and red  
I'm already dead  
I could never lie to you  
Cause I would rather dieI'm running away  
I'm running away  
I'm running away  
I'm running away  
And oh, I wanted you to know  
I can't even make you realize what you did  
Heaven or hell  
I can't even tellMay be you should take it easy on yourself  
It might even help to leave me outI'm running away  
I'm running away  
I'm running away  
I'm running away  
And oh, I wanted you to know
