

# In spite of (2 meter sessies)

## Saybia

I aint as beautiful as you  
I aint as beautiful as you  
In spite of the fact  
That I aint noticed in a crowd I know it aint all bad  
I know that aint all bad  
If I look the right direction In my mind  
In the castle where I am the king  
I will build up my arms  
Until I cross my borders to conquer the world  
On my one way crusade I aint as clever as I seem  
I aint as clever as I seem  
In spite of the fact  
That I am learning every day I know that aint all bad  
I know, it aint all bad  
If I look the right direction  
Oh, direction In my mind  
In the castle where I am the king  
I will build up my arms  
Until I cross my borders to conquer the world  
On my one way crusade Oh, anybody there  
I say I aint as beautiful as you  
I aint as beautiful as you  
But I may return though  
To see the beauty of it all I know that aint all bad  
I know it aint all bad  
If I look in the right direction In my mind  
In the castle where I am the king  
I will build up my arms  
Until I cross my borders to conquer the world  
On my one way crusade, I said I say  
Oh, I say  
I say, I say Things aint always bad
