Flowers Bloom (Alex Reece remix)

Mandalay

Sometimes
The reflection I see
Bears no
resemblance to meSometimes
I look around the place I live
And wonder
How I came to choose the things I didIn the morning
He smiles
At the start of another day
He smilesKisses my shoulder
Cradles his body
Behind mineShin to toe to tight to mind [Repeat: x5]Sometimes
I wake and know the time will come
The day unfolds
Someday
That everything will resonate
Flowers bloom
In desolate placesIn the morning
He smiles
At the start of another day
He smilesKisses my shoulder
Cradles his body
Behind mineShin to toe to thigh to mind [Repeat: x4]Shin to toe to thigh to mind to mineSometimes it seems
All the birds are flying south
While I am groundedOne day I'll wake
And everything will resonate
Flowers bloom
In desolate placesIn the morning
He smiles
At the start of another day
He smilesKisses my shoulder
Cradles his body
Behind mineShin to toe to thigh to mind [Repeat: x4]Shin to toe to thigh to mind to mine
