Promise Me (Single Version)

Kill Hannah

I realize now I can't get you back
I pushed you too far away
You're too strong to be led onAnd now I know the face
That will haunt me forever
Oh, what have I done?
Oh, what have I done?Just please, please, promise me
Somewhere dark and deep in your heart
You'll keep a tiny place for me
Where no one new can reachJust promise me
Somewhere dark and deep in your heart
You'll keep a tiny place for me
Where no one else can reach
