Tell Me So

Miss Derringer

Take out a piece of paper
Put your name up in the corner
Take out a piece of paper
Write everything down
Then you can read it back to me
and maybe you can hurt me you can read it back to me
maybe you could know something about me
(REPEAT)
CHORUS:
If you are gonna look at me
I am gonna get A PRIZE (8x)
Oh tell me so
I wanna know
Oh tell me so
I wanna know
and don't stall
And I fell down, down, down down down
(CHORUS)
Oh tell me so
