Up the volume

Up the volume

Dance Dance,

Up the volume

Up the volume

Dance Dance,

Up the volume

Up the volume

Up the volume

Up the volume

Is all

Is all

Is all

Is all

Is all

Is all

is all i can think of

Up the volume

Up the volume

Up the volume

is all i can think of

Up the volume

Up the volume

Up the volume

is all i can think of

Up the volume

Up the volume

Up the volume

is all i can think of

Up the volume

Up the volume

Up the volume

is all i can think of

Up the volume

Up the volume

Up the volume

so wrong it was meant to be

is all i can think of
Up the volume
Up the volume
Up the volume
is all i can think of
Up the volume
Up the volume
Up the volume
so wrong it was meant to be
is all i can think of
Up the volume
Up the volume
