

# If I Go

Ella Eyre

I could play anything for you  
I could say what you want me to  
I could lie, I could lie  
'Cause you're wanting a little more  
And I'm stuck in the middle of,  
But I try, but I try  
And I need time, and I need space  
I need to live without your face But if I go will you love me?  
Will you love me until I can  
Do you know will you want me?  
Will you want me like that?  
And if I leave, will it end?  
Will you need me again?  
If I go, will you love me?  
Will you love me when I come back? I could be what you want me to  
And you hold out and let me do what I want?  
What I want?  
Tell me how long could you wait till you move on  
And tell me that it's too late, it's too late But if I go will you love me?  
Will you love me until I can  
Do you know will you want me?  
Will you want me like that?  
And if I leave, will it end?  
Will you need me again?  
If I go, will you love me?  
Will you love me when I come back? Ooh, boy, oh when I come back, no oh oh, when i come back But if I go  
will you love me?  
Will you love me until I can  
Do you know will you want me?  
Will you want me like that?  
And if I leave, will it end?  
Will you need me again?  
If I go, will you love me?  
Will you love me when I come back?
