

Charades

Papoose

boy, you're so sexy, you think you got a made
you smile when you lie. get away from me
you're talking out two sides of your face
i'm supposed go along, not ok!

chorus:

i'm so guarded, i've been hurt, see
i'm so cold now, someone burned me
yeah, i like you, yeah you like me

but i can see

your charades

i can see, i can see, i can see

your charades

i can see, i can see, i can see

oh, you got me guarded like an army grenade

don't hurt me, i don't have what it takes

if you wonder why i'm throwing you shade

your charades!

i like models, athletes. i like rappers

i like different kinds of shades, different swaggers

oh, oh, but i can see beyond a face and a kiss

oh, if something's deeper i'm so hard i won't miss

chorus:

i'm so guarded, i've been hurt, see
i'm so cold now, someone burned me
yeah, i like you, yeah you like me

but i can see

your charades

i can see, i can see, i can see

your charades

i can see, i can see, i can see, i can see

oh, you got me guarded like an army grenade

don't hurt me, i don't have what it takes

if you wonder why i'm throwing you shade

your charades!

don't play me. i'm not a show.

i know you did it before.

i'm not that girl.

no i'm not that broad.

yes yes get along.
respect me or get gone.
i ain?t about that life dot com period
i ain?t about that life dot com period
chorus:
i can see
your charades
i can see, i can see, i can see
your charades
i can see, i can see, i can see your charades
oh, you got me guarded like an army grenade
don?t hurt me, i don?t have what it takes
if you wonder why i?m throwing your shade
your charades!
i can see your charades
yeah, uh!
