

Don't Give Me Your Nothin'

Suicidal Tendencies

Don't you give me, give me, give me your borrowed time
Don't give me, give me, give me your recycled line
Who do you think you are? You must think you're something
Don't you give me, give me, give me you're here
to help me
Got to get with the program, I don't need no charity
Well, I don't need shit and you ain't nothing
And if I made a perfect world you'd be gone
Don't give me, give me, give me your misguided help
Don't give me your nothin', I can do it myself
Well, I don't want shit and I don't need nothing
Don't you give me, give me, give me your look of concern
I don't need your meddling when you gonna learn
Well, you ain't shit and you ain't nothin'
Well, I just made my perfect world, oops you're gone
Now you know what it feels like not to belong, so long
So don't you give me, give me, give me your nothing, no
Why don't you give me, give me, give me your nothing, no
Don't you give me, give me, give me your nothing, no
Don't you give me your second hand sympathy
Don't give me your nothin', just let me be
Who do you think you are? You must think you're something
Don't you give me, give me, give me your worried
tone
You can't fool me with that crap just leave me alone
And I don't need it, I don't need nothing
Now I have a perfect world, now you're gone, oh, oh, oh
Don't give me your nothin', don't give me your nothin'
Don't give me, give me, give me that, what did I do?
You don't have to do nothing, you're just being you
I'll tell you why, you, you ain't nothing
If you make your perfect world you will find
The only place that's perfect is in your mind
What's perfect for you is like a hell for me
Two perfect worlds, it just cannot possibly be, oh, oh, no, no
No, no, no, no, no, no, no, no, no, no
Don't give me, give me, give me your nothin'
Don't you give me, give me, give me your, I'll be there
I don't believe how you lie, you don't care
Don't give me your shit, don't give me your nothin'
Don't you give me, give me, give me your I love you
They just are words and the words ain't true
You're full of shit, your words mean nothing
I just made my perfect world, now you're gone
And in my perfect world your perfect world don't belong, so long
No no, no no, don't give me your nothin'
No no, no no, don't give me your nothin'
No no, no no, don't give me your nothin'
