

Raspberry Swirl (Lip Gloss version)

Tori Amos

Let's go I am not your seÑorita
I am not from your tribe
In the garden, in the garden
I did no crime I am not your seÑorita
I am not from your tribe
If you want inside her well
Boy, you better make her raspberry swirl Things are getting desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man
Things are getting desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man Let's go I am not your seÑorita
I don't aim so high
In my heart, in my heart
I did no crime
If you want inside her well
Boy you better make her raspberry swirl Raspberry swirl
Let's go
Raspberry swirl Things are getting desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man
Things are getting desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man Things are getting desperate
When all the boys can't be men
Everybody knows I'm her friend
Everybody knows I'm her man Raspberry swirl
Let's go
Raspberry swirl
Yes let's go
Raspberry swirl
Let's go
Raspberry swirl
Yes And she swirls
And she swirls

And she swirls again

And she swirls

And she swirls

And she swirls again

And she swirls

And she swirls

And she swirls again

And she swirls

And she swirls

She swirls and she swirls
