

Chicago (To String Remix By Jo

Sufjan Stevens

I fell in love again
All things go, all things go
Drove to Chicago
All things know, all things know We sold our clothes to the state
I don't mind, I don't mind
I made a lot of mistakes
In my mind, in my mind You came to take us
All things go, all things go
To recreate us
All things grow, all things grow We had our mindset
All things know, all things know
You had to find it
All things go, all things go I drove to New York
In the van, with my friend
We slept in parking lots
I don't mind, I don't mind I was in love with the place
In my mind, in my mind
I made a lot of mistakes
In my mind, in my mind You came to take us
All things go, all things go
To recreate us
All things grow, all things grow We had our mindset
All things know, all things know
You had to find it
All things go, all things go If I was crying
In the van, with my friend
It was for freedom
From myself and from the land I made a lot of mistakes
I made a lot of mistakes
I made a lot of mistakes
I made a lot of mistakes You came to take us
All things go, all things go
To recreate us
All things grow, all things grow We had our mindset
All things know, all things know
You had to find it
All things go, all things go you came to take us
All things go, all things go
To recreate us

All things grow, all things grow We had our mindset
(I made a lot of mistakes)
All things know, all things know
(I made a lot of mistakes) You had to find it
(I made a lot of mistakes)
All things go, all things go
(I made a lot of mistakes)
