

Sweet Misery (Acoustic)

[Michelle Branch](#)

I was lost
An' you were found
You seemed to stand on
Solid ground
I was weak
An' you were strong
And me and my guitar, we strummed along
Sweet misery, you cause me
That's what you called me
Sweet misery, you cause me
I was blind
But oh how you could see
Saw the beauty in everything
Everything and me
I would cry
And you would smile
Stay with me, a little while
Sweet misery, you cause me
That's what you called me
Sweet misery, you cause me
And in my heart I see
What you're doing to me
And in my heart I see
How [Incomprehensible] just how you wanted it to be
Sweet misery
Sweet misery, you cause me
That's what you called
told me
Sweet misery, you cause me
And in my heart I see
How [incomp] what you're doing to me
Doing for me
And in my heart I see
How [Incomprehensible] just how you wanted it to be
Sweet misery
Sweet misery
Sweet misery
I was weak
An' you were strong
An' me and my guitar, we strummed along
