

Good Morning Heartache (1946 Single Version)

[Billie Holiday](#)

Good morning headache
You old gloomy sight
Good morning headache
Thought we said goodbye last night
I turned and tossed until
It seems you we have gone
But here you are with the dawn Wish I forget you
But you're here to stay
It seems I met you
When my love went away
Now everyday I stop I'm saying to you
Good morning headache what's new Stop haunting me now
Can't shake you nohow
Just leave me alone
I've got those Monday blues
Straight to Sunday blues Good morning headache
Here we go again
Good morning headache
You're the one
Who knows me well
Might as well get use to you
Hanging around
Good morning headache
Sit down Stop haunting me now
Can't shake you nohow
Just leave me alone
I've got those Monday blues
Straight to Sunday blues Good morning headache
Here we go again
Good morning headache
You're the one
Who knows me well
Might as well get use to you
Hanging around
Good morning headache
Sit down
