

Runnin'

Sundy Best

No matter how I run
I never can escape
An old familiar feeling
I just can't seem to shake
So I just run on faith
I run on views
I run a little late
But I wanna run with you
I run on empty
Running stop signs
Running like I'm eighteen
Gonne leave this world behind
Yeah, I'm running wild
People know me better
I seem to know myself
Opinions change and lives weather
Is something I just can't take well
I just run on faith
I run on views
Well, I run a little late
But I wanna run with you
I run on empty
Running stop signs
Running like I'm eighteen
Gonna leave this world behind
Yeah, I'm running wild
I can't walk and I can't speak
And I've run all I can
And all that's left of me
Is my heart, it's worn on my sleeve
I pray you don't run
I pray you don't need
So let's just run on faith
Let's run on views
I'm running away
But I want to run with you
I run on empty
Running stop signs
Running like I'm eighteen

Gonna leave this world behind

Yeah, I'm running wild

Yeah, I'm running wild
