Izabella

Jimi Hendrix

Hey Izabella
Girl, I'm holding you in my dreams every night.
Yeah, but you know good well baby,
You know we got this war to fight.
Well, I'm calling you under fire
Well, I hope you're receiving me all right.Hey, Izabella
Girl, I'm fightin' this war for the children and you
Yeah, yeah, yeah, baby!
All this blood is for the world of you.
All your love!
So I hope you save your love, baby
Then I know the fightin' is true.
