True As Steel

Doro Pesch

Go ahead all around the world
Step by step, our flag unfurled
Let your spirit rise
Got to fight for glory
On the wings of an eagle
We're flyin'Breakin' free
And you're gone
Yes we're movin' onStay hard !
True as steel
Stay hard !
We're goin' down in history
Stay hard !
True as steel
Stay hard ! Stay hard !Hear the bugle call in golden starlight
We're on highway to heaven
Don't hide like a thief in the night
You've got a heart of gold
Courage and prideBreakin' free
And you're gone
Yes, we're marching onWe will rock your feelings
You can hear our song In the air !
