

# Dollywood (Instrumental Version)

## Hail Mary Mallon

Ollie on a dime, golly what a leap  
Posse in effect, poppy in his tea  
Dotty I'm a rebel, cut away the pattern  
Coffee on the dash, Muppets Take Manhattan  
Circulate the pest, faded corpse paint  
Old tanuki suit, Gang of Four tape  
Gold Bazooka Tooth, eerie audio  
Don't go in the light, here's Bobby, goPlatinum half a ton, milli magnum  
Silly, rabid, dumb, trick the pinky ring  
Campers, pack a gun, run you ragged from  
Trouble as it comes, Mr. fifty winks  
City bully brawl, if he could he'd call  
Whitney's wooden hall home for holiday  
Lizzy, thinning hair, is he sitting there  
Dizzy pigeon stare, shit is commonplace  
Happy to be on the food chain at all  
Happy to be on the food chain at all  
Happy to be on the food chain at all  
Happy to be on the food chain at allAppetite of ten, hoodie on his mop  
Racing RC Cars, rubicon across  
Baby, party hard, copy, understood  
How are you today? Jolly fucking good  
Treading water in a dying industry  
Covering his face, hiding in the wings  
Born to hammer nails, bang a leader up  
Die anonymous, face the Beelzebub  
Razor on the edge, pray you stop instead  
Save your honest men money's medicine  
Let your flag fly, rep your half pride  
Temper's bad, implied once he's jettisoned  
Get him to the Greek, I bet he wouldn't eat  
Heavy pudding cream sitting on a dock  
Feather, hair and beard, whether they appeared  
Never shed a tear, shit is none o'clockHappy to be on the food chain at all  
Happy to be on the food chain at all  
Happy to be on the food chain at all  
Happy to be on the food chain at allCircling a drain, eye a lion's share  
Fighting evil art, lions, tigers, bears  
Violent sea of sharks, baddies vaporize

Do not stare into the glassy manga eyes  
Gangly overbite, city folk amok  
Taketh no shits, giveth no fucks  
Little green men, pull a killer card  
Fire in the sky, vultures in the yard[?] blitz, borders on the fritz  
Mortars, comets, sticks, stone a minor threat  
Pour the pot of piss, sorting on a whiff  
War of opposite and open sinuses  
Time release remain, I can see the rain  
Why believe in vain, climb the Benny Hill  
Live, at least today, spy the thief invade  
Find the cheapest way to cry when Kenny's killed Happy to be on the food chain at all  
Happy to be on the food chain at all  
Happy to be on the food chain at all  
Happy to be on the food chain at all
