Picture

Kid Rock

Livin' my life in a slow hell
Different girl every night at the hotel
I ain't seen the sunshine in three damn days
Been fuelin' up on cocaine and whiskey
Wish I had a good girl to miss meLord, I wonder if I'll ever change my ways
I put your picture away, sat down and cried today
I can't look at you while I'm lying next to her
I put your picture away, sat down and cried today
I can't look at you while I'm lyin' next ta' herI called you last night in the hotel
Everyone knows but they wont tell
But their half hearted smiles tell me somethin'
Just ain't right, I been waitin' on you for along timeFuelin' up on heart aches and cheap wine
I ain't heard from you in three damn nights
I put your' picture away, I wonder where you been
I can't look at you while I'm lyin' next to him
I put your' picture away, I wonder where you been
I can't look at you while I'm lyin' next to himI saw you yesterday with an old friend
It was the same ol' same how have you been
Since you been gone my worlds been dark and grey
You reminded me of brighter daysI hoped you were comin' home ta' stay
I was headed to church
I was off to drink you awayI thought about you for a long time
Can't seem to get you off my mind
I can't understand why we're livin' life this way
I found your picture today, I swear I'll change my waysI just called to say I want you to come back home
I found your picture today, I swear I'll change my ways
I just called to say I want you to come back home
I just called to say i love you, come back home
