Eyes Open

Taylor Swift

Everybody's waiting
Everybody's watching
Even when you're sleeping
Keep your e-eyes open

The tricky thing
Is yesterday we were just children
Playing soldiers, just pretending
Dreaming dreams with happy endings

In backyards
Winning battles with our wooden swords
But now we've stepped into a cruel world
Where everybody stands up
Keep score

Keep your eyes open

Everybody's waiting, for you to breakdown
Everybody's watching, to see the fallout
Even when you're sleeping, sleeping
Keep your e-eyes open
Keep your e-eyes open

Keep your e-eyes open

So here you are
Just steps ahead, and staying on guard
Every lesson forms a new scar
They never thought you'd make it this far

But turn around
Oh, they've surrounded you
It's a showdown
And nobody comes to save you now
But you got something they don't
Yeah you got something they don't

You just gotta keep your eyes open

Everybody's waiting, for you to breakdown
Everybody's watching, to see the fallout
Even when you're sleeping, sleeping
Keep your e-eyes open
Keep your e-eyes open

Keep your eyes

Keep your feet ready
Heartbeat steady
Keep your eyes open
Keep your aim locked
The night grows dark
Keep your eyes open

Keep your e-eyes open
Keep your e-eyes open
Keep your e-eyes open
Keep your e-eyes open

Everybody's waiting, for you to breakdown
Everybody's watching, to see the fallout
Even when you're sleeping, sleeping
Keep your eye, eyes open

Keep your eyes open
Keep your e-eyes open

Keep your eyes open
Keep your e-eyes open.
