

# Georgia Girl

## Collective Soul

She moved south as a child  
She moved from the Jersey Shore  
Said she remembers the ocean  
But she dont recall much moreShe loved the contagious youth  
Still she swears she has no past  
And says she dont take love  
Cause that high, it never lastWelcome to her world  
Welcome to the world  
Of my Georgia girlShe offers up fellowship  
To those who come from broken homes  
Yes, she laughs in the crowds  
While her heart is all aloneWelcome to her world  
Welcome to the world  
Of my Georgia girlWelcome to her world  
Welcome to the world  
Of my Georgia girlShe moved south as a child
