Keith Moon

Mike Krol

trouble with your mom, yeah i know it is true
problems with your dad, you know i got those too
we can go on and on forever
and we can be sad and lonely together
i would rather wait and see
if we can be happy
just me and you
just me and you
i was gonna be pete and you were gonna be keith moon
when i said i love you, it was just much too soon
and i can go on and on forever
and i can stay mad and lonely whatever
but i would rather have a friend than have a muse
