Back At One

Shayne Ward

It's undeniable that we should be together It's unbelievable, how I used to say that I'd fall never The basis is need to knowlf you just don't know how I feel Then let me show you that now I'm for real If all the things in time, time will reveal, yeahOne, you're like a dream come true Two, just wanna be with you Three, girl, it's plain to see That you're the only one for me and Four, repeat steps one through three Five, make you fall in love with me If ever I believe my work is done Then I'll start back at oneSo incredible, the way things work themselves out And all emotional, once you know what it's all about, babe And undesirable, for us to be apart Never would've made it very far 'Cause you know you got the keys to my heart'Cause one, you're like a dream come true Two, just wanna be with you Three, girl, it's plain to see That you're the only one for me andFour, repeat steps one through three Five, make you fall in love with me If ever I believe my work is done Then I'll start back at oneSay farewell to the dark of night I see the coming of the sun I feel like a little child Whose life has just begunYou came and breathed new life Into this lonely heart of mine You threw out the life line Just in the nick of timeOne, you're like a dream come true Two, just wanna be with you Three, girl, it's plain to see That you're the only one for me andFour, repeat steps one through three Five, make you fall in love with me If ever I believe my work is done Then I'll start back at one
